Experience and Accomplishment

Mphasis Unleash the Next

Aug 2007 – Till Date
Mphasis acquired AIG Systems Solutions

Client Engagement Manager (Promoted Twice – from PM → DM → CEM)

Currently Manage all projects (22+) outsourced from AIG APAC to MphasiS across technologies and functionalities (new wins, budgets, timelines, and delivery) with my Outstanding global leadership skills with diversely spread team across multiple global delivery centers.

Current role includes Governance, P&L, cost avoidance, continuous value addition, conducting global status meetings(Internal Sr. Mgt/Client Sr. Mgt), customer reviews, transition, migration and enabling nonlinear Revenue Growth $.

Accomplishments :

- Grew the account from 2 Projects to 23 + in a single year
- New Entity in Philippines and now grown business in APAC Countries with projects from Singapore, Korea, Japan and Malaysia

3i Infotech Innovation • Insight • Integrity

Jul 2005 – Aug 2007

Insurance Project Management

Advanced rapidly from Project Coordinator to Project Management and have been successfully playing multiple roles for Non-Life Product Development for our Prestigious Clients.

Managed 80 + Team for UK enhancement deployments - this was in recognition to my ability to handle Challenging Insurance Projects and for my Versatile Quality delivery on-demand, on-scheduled deadlines.
