Key Focus on ***Customer Delight & Growth with Agility***

VISION – LEADERSHIP – EXECUTION – RESULTS

Unique Insurance Operations, Tech and Sales leader with 28+ Years in solving numerous complex Insurance Operations and technology problems by driving large-scale insurance transformation, revenue growth, and operational excellence for **Tier 1 and mid-market multinational carriers, Brokers & Reinsurers**. Proven track record of **owning and growing complex, multi-country insurance accounts**, consistently exceeding sales targets (Top line) while delivering sustained margin improvement, **96%+ talent retention**, and measurable net profit business outcomes (Bottom line) with IT Delivery Teams located across 8 countries.

Out of 28+ years of progressive leadership, where I spent the first 12+ years in hands-on working experience across P&C, Life, Annuities, Specialty, Reinsurance, and Health Insurance working across 12 key insurance verticals by increasing Core Underwriting efficiency, Improving Claims experience, Enhancing Policy Servicing, Huge Data Transformation Programs, Refining Global Reinsurance Ceding, Boosting Finance Transformation, Expanding Marketing / Distribution Experience (Agency, Bancassurance, Broker), and Actuarial (Rating, Pricing, Product Launches) across 2 continents (Europe & Asia).

In the last 16+ years spent in various leadership roles (Sales + Global Delivery + Large Size Insurance Account Management) in Account P&L Mgt, Revenue/margin Optimization, executive governance, QBR, Account Expansion Strategies, implementing Global / Regional Programs across Tier-1/Mid-size carriers Policy Admin rollouts, Broker Applications, Agency Management Systems, 42 AI Use Cases go live, Cloud Migration, Insurtech Integration, Marketing Programs, Bancassurance App Integrations, Enterprise Architecture, Regional Agile & DevSecOps Programs, IT Compliance Audit, Cyber Security (Infra/Apps) to US$ MMM+ million Premium and US$ MMM+ million in claims across 4 continents (North America, Africa, Europe & Asia).

Have a successful track record of **setting up and building a New Entity (Mphasis) in the Philippines from Scratch** (location/operations/Peza/server/seating) and grew the Account size from 4 to 220 FTE's in Less than 8 quarters.

Max Team Size: **220** (40% FTE / 60% FTC)	Max Revenue Managed **$MMM**: for 5 years
No of Insurance Programs managed: **110**+	Largest Program: **28** Countries / **220** FTE Peak
No. of C Level Carrier Relationship (Mid-Size to Large): **300**+ across 8 nations built for last **18+** years	

KEY VALUE OFFERINGS

- Solid Experience in implementing Insurance Policy/Agency Admin (Guidewire, eBao, Oceanwide, Duck Creek, Sapiens, FineOS, OIPA, Applied Epic, Vertafore, Care, Premia), Global Insurance Programs SAP, (Salesforce.com: Marketing Cloud, Sales Cloud), SailPoint, IT Security (CA Veracode, Xray, Qualys), UiPath, Pega, ServiceNow (ITPM, Ticketing), DevOps Transformation for Multinational Insurance Carriers across America, Asia, African and European Countries
- Exceptional interpersonal skills and my core strength is in **building continuous "C" Level Relationships with Key Decision Makers** / Executives (CEO, CIO, CFO, CTO, Chief Underwriting, Chief Distribution, Chief AI, Chief Data, Chief Actuary, Chief Claims) across 8 Countries **and not just brought in net new**
